

# **JUNIOR HIGH & HIGH SCHOOL SCIENCE** **TEACHER POSITION OPEN**

Boise City Public School is seeking a qualified and certified applicant to fill the position of Junior High & High School Science Teacher for the 2021-2022 school year.

## **Job Description**

The science teacher is employed to teach science education courses offered by the Boise City district and approved by the State Department of Education. These courses include 7<sup>th</sup> Grade Science, 8<sup>th</sup> Grade Science, High School Biological, Earth, Physical and Chemical sciences. The right person for this position will be well versed in all different scientific disciplines and will strive to provide a rigorous classroom environment with high educational expectations. Students that graduate from Boise City High School should have a solid foundational knowledge of science and have developed the ability to become independent, inquisitive thinkers due in part to the science instruction received here.
